❖ What Is This Programme?

UPPCS isn't the same exam it used to be. It has become dynamic and analytically demanding. Just reading textbooks won't cut it anymore. Competition is rising, current affairs carry more weight, you need UP-specific content, and your concepts have to be rock solid. That's why a structured, practice-based strategy is absolutely essential now.

RAINBOW IAS's Paracham Integrated Test Series (Pre-cum-Mains) – UPPCS 2026 is built exactly for this. It is a complete, practice-based programme, scientifically designed – so your preparation flows seamlessly from Prelims to Mains.

❖ Why Rainbow IAS?

- ▶ **Integrated Prelims + Mains approach** – no need to prepare separately
- ▶ **Practice-driven methodology** – not passive reading, but active learning
- ▶ **UP-specific content** – strong grip on Uttar Pradesh topics and the dynamic syllabus
- ▶ **Designed for everyone** – whether you are a beginner or an experienced aspirant, it is equally useful
- ▶ **Personal guidance** – one-on-one mentorship for strategy, performance, and doubt solving
- ▶ **Mrityunjay Sir** – this programme has been personally designed and developed by him, for holistic preparation

❖ Key Features of the Programme

▶ Before Prelims: An Integrated Ecosystem

- ▶ **Daily Practice** – 120+ mini tests (40 questions for Prelims + 4 questions for daily Mains answer writing)
- ▶ **Prelims Test Series** – 20 sub-sectional + 6 sectional + 6 current affairs + 2 UP-special + 8 full-length tests
- ▶ **Mains Test Series** – 21 sectional tests covering GS Paper 1, 2, and 3

▶ After Prelims: Advanced Preparation

- ▶ Balanced focus on GS Papers + Essay + General Hindi
- ▶ 11 sectional tests (GS Paper IV, V, VI, General Hindi, and Essay) + 8 full-length simulator tests
- ▶ Ensures a smooth transition from the Prelims phase into Mains preparation

▶ Discussion & Revision Framework

After every sectional and full-length test – for both Prelims and Mains – a detailed discussion and revision session is held. This helps you understand the nuances of questions and learn the ideal answer structure.

▶ Expert Evaluation & Feedback

- ▶ All mini tests are evaluated — when you write them at the scheduled time (offline) or within 24 hours (online)
- ▶ All Mains sectional and full-length tests get expert evaluation — careful answer checking
- ▶ Constructive feedback plus model answers — so you keep improving, consistently

▶ Mentorship & Guidance

- ▶ Personal mentorship (both online and offline) for building strategy, tracking performance, and solving doubts

▶ Rich Study Material (PDF Format)

- ▶ Value-added material aligned with the latest exam trends
- ▶ Integration of static and current affairs, plus coverage of UP-specific topics
- ▶ Designed for quick revision and answer writing enhancement
